Questions to Ask myself Before Trading:

How am I feeling?
Is there anything Wrong?
Am I Focused?
What do I need to do Today outside of Trading?
Do I have time to Trade with my Full Focus Today?
Am I Well & Alert?

My Top Down Analysis Approach:

4 Hour, Daily & Weekly = Market Structure & POIs
1 Hour to 15 Minute = Refine, if, Any POIs from H4+
5 Minute to 1 Minute = Look for Confirmation Entries

My Type of Trader:

Swing Trade - Look to hold for a Few Days
Intraday Trade - Look to Exit before 6pm, Manage carefully.
Scalp Trade - Hold for seconds to minutes, try to grab some %.

Psychology Notes:

Losses are Inevitable, onto the next.
If in Doubt, ZOOM OUT!
Focus on the Process, not the Outcome.
The Mind always Matters!
The Market Owes us F*ck All, so DO NOT be Greedy.
1% is really Enough to make a Living.
Always trust your Gut.

My Personal Trading Sessions:
